Spares Stockists Nationwide

Spare parts for all Vokèra products are available through our nationwide network of approved spares stockists. For peace of mind, spares availability is guaranteed for 10 years after product withdrawal. Our large spares stockist network supports repairs and maintenance of Vokèra boilers.

Visit www.vokera.co.uk to view a list of our approved spares stockists.

Important: Fitting any of the parts listed should only be undertaken by a compliant Gas Safe Registered engineer.

Technical Support

Our fully trained Gas Safe Registered technical team provides technical advice to help select the correct spare part for any particular Vokèra boiler. Call **0844 391 0999**

Alternatively you can view spare parts within each individual product installation manual at www.vokera.co.uk

Training

A major factor in the success of Vokèra is a passionate commitment to professional standards within the domestic heating industry. Our industry leading Technical Training programme embodies that commitment and provides the most comprehensive training syllabus for domestic heating professionals in the UK today. Vokèra installers enjoy full support for their training requirements and we are happy to adapt our resources to your

specific needs for individual or group training courses. Our nationwide network of training centres and external facilities means that you are never more than a 90 minute car journey away from a Vokèra training resource anywhere in England or Wales.

For further information or to book a Vokèra training course, please call **0844 391 0999** or visit www.vokera.co.uk

Customer Services

80% of calls to Vokèra Customer Service are answered within just 20 seconds. That fact reflects the importance we place on keeping our customers happy.

If you ever have a problem or a question relating to a Vokèra product, please call us on **0844 391 0999** and select option 2.
